How the boxes are built

	NET	VAT
Standard-rated sales, gross £25,449.87	£21,208.22	£4,241.65
Exempt sales (NHS, councils, funded families, People Places Lives, Obah)	£68,571.76	£0.00
UK purchases that carry VAT. Addison Lee only £132.36 of this, not one sixth of the taxi gross. Apple is the VAT on the invoices	£4,609.80	£921.97
UK purchases with no VAT. Pools, Addison Lee fares, Aquatic INV-26060, Transelephant	£13,165.91	£0.00
Services from outside the UK. Same £322.73 in box 1 and box 4	£1,613.64	£322.73

Red rows in the detail still have no supplier invoice. They are already inside these boxes. Amazon, DJI and Prime are £173.30 of the input VAT. Cursor, OpenAI, Amazon Business Prime, McAfee, Apple.com/bill and Facebook are inside the reverse charge, so taking them out does not change box 5. Do not file a red line until its receipt is in the folder.

Left out of every box: PAYE and payroll, savings transfers £31,500, director funds £8,000, Tide cashback £70.53, the Apple Pay test £20.51, and card spend with no receipt (fuel £20.34, Sainsbury's £98.36, Virgin £0.85, Co-op £7.45, BT £45.99). Also left out, £2,764.09, because no document shows the VAT: Acton, DWP debt, Hiscox, Temu, GBLE Training, NSPCC, the ICO fee, Gett, BT (Raul), Virgin Media, Wix, Tide Max, the Class for Kids fee and giffgaff.

VAT detail, 1 June to 31 August 2026

Cash accounting. Standard-rated amounts are VAT-inclusive: VAT is one sixth of the gross. Prepared 7 October 2026 for checking against the Tide statement and the receipts. Tide in this window: paid in £135,415.96, paid out £122,833.23.

Figure for the return

	AMOUNT	VAT
Standard-rated sales (output VAT)	£25,449.87	£4,241.65
Exempt sales	£68,571.76	£0.00
UK purchases with VAT (input VAT)	£5,531.77	£921.97
Reverse charge, services from outside the UK	£1,613.64	£322.73 in and £322.73 out
VAT to pay on these figures		£3,319.68

Reverse charge does not change the amount to pay. It is entered on both sides. The £3,319.68 is output VAT £4,241.65 minus input VAT £921.97. Addison Lee passenger journeys are exempt: only £132.36 of VAT is reclaimable on those three invoices, not one sixth of the taxi gross. Aquatic Training INV-26060 has no VAT line. Apple VAT is the figure on the invoices: MacBook Pro £329.67, three iPad mini £249.51, 70W charger £9.83. A line with no VAT on the document is not claimed and is not marked red.

The four Tide credits are £2,393.13 (23 Jul), £1,071.78 (13 Aug), £1,020.75 (17 Aug) and £1,460.13 (19 Aug), total £5,945.79, and that total still includes the £19.92 net from the test.
