1. PARENT / GUARDIAN RESPONSIBILITIES

1.1 Providing Essential Information

- Parents or guardians must ensure that all relevant medical, personal, and support needs of the service user are accurately provided when completing registration / portal forms.
- If any changes occur regarding the service user's health, including illness, injury, or medication taken within 24 hours prior to a session, you must inform clubSENSational immediately (via the parent portal message tools where available, or by contacting the office).

1.2 Responsibility During Sessions

- clubSENSational staff take responsibility for the service user only during the scheduled session. This responsibility begins when the instructor or staff member formally takes charge of the service user and ends when the session concludes, at which point they will be returned to the parent, guardian, or designated responsible adult.

1.3 Supervision Before and After Sessions

- Outside of scheduled sessions, the parent, guardian, or accompanying adult is fully responsible for supervising the service user and any other children in their care. clubSENSational is not liable for any incidents occurring before the session begins or after it has ended.

1.4 Venue Rules and Safety Compliance

- All parents, guardians, and accompanying adults must adhere to the health and safety policies set by both clubSENSational and the venue where sessions take place.
- It is your responsibility to ensure that anyone attending with you also follows these rules. Venue-specific information is available on our website and/or in enrolment materials.

2. BOOKING & RE-ENROLMENT

2.1 How to Book & manage your place

1. **Existing clients** manage their place through the **ClubSENSational parent portal**, including absences, invoices, payments, re-enrolment and account messages. These self-service actions do **not** require contacting admin by phone.
2. For day-to-day messages, existing clients should use the club messaging number **+44 7886 292726** (WhatsApp / portal messaging API — messages only). For an **urgent call** only, use **07592 558671**.
3. **New clients and new bookings** should contact us on **07592 558671** or info@clubsensational.org. We aim to respond within 48 hours on working days.

4. Legacy ClassForKids links may still appear during transition; the parent portal is the primary system for current families for Academic Year 2026/27 onwards.

2.2 Registration Requirements

- Before confirming a booking, you must complete the required registration / questionnaire / consent forms for the service user (via the portal or the forms we send you).
- If no spaces are available, you may join our waiting list to receive priority when a space opens.

2.3 Booking Terms

- Term services are normally booked in advance with a fixed day and time for the relevant term or academic year.
- If a service user joins mid-term, fees may be charged on a pro-rata basis. We do not accept bookings that are intentionally "part-term only" to end early mid-term without following the cancellation rules in Section 4.
- Re-enrolment priority is given to existing service users, subject to completing re-enrolment / payment setup by the deadline published in the parent portal.

2.4 Re-enrolment cadence (from 2026/27)

When re-enrolling privately funded (or LA Direct Payments) families, you choose one of:

- **Whole year (auto re-enrol):** you confirm once for the academic year; we treat you as continuing each term unless you tell us otherwise.
- **Term by term:** you confirm the current term only; later terms require a fresh confirmation. Invoices / Direct Payments are created for the current term only.

We aim to keep a similar day/time and specialist where possible, but we do **not guarantee** the same specialist, day, time or venue.

2.5 Funding routes

- **Privately funded** — you pay us directly (VAT treatment as shown on your invoices / portal).
- **LA Direct Payments (EHCP care package)** — you pay us using funds from your Local Authority Direct Payments.
- **LA / NHS funder invoice** — where we invoice your Local Authority or NHS funder directly, there is normally nothing for you to pay us. Tell us promptly if funding changes (info@clubsensational.org).

3. PAYMENT

3.1 Payment Methods (parent portal)

Where you pay us directly, the methods available depend on funding and the cadence you chose:

Method	How it works	Fees
Bank transfer	Pay each invoice from the parent portal using the club bank details shown. You may "report paid"; the amount stays pending until the office confirms receipt.	No club admin fee when paid on or before the due date. Bank transfer itself has no processing fee from us.
Card / Apple Pay	Pay online from the parent portal (Stripe).	A card processing fee applies so we receive the invoice amount in full (confirmed at checkout; typically around 1.5% + £0.20).
Direct Payment (GoCardless)	Automatic collections once your mandate is set up. Choose a schedule (for example termly, flexi / 2x per term, or monthly) as offered in re-enrolment.	£1.50 administration fee per instalment.
Own arrangement	Only for privately funded families on term-by-term cadence who cannot meet our fixed due dates. You still pay via bank transfer or Card / Apple Pay when invoices are ready.	£50 administration fee each term. You must keep at least two sessions paid in advance for every service. If the prepaid balance falls below that, we may pause sessions or move you to a standard plan. Overpayments are kept as credit.

- Own arrangement is **not** available with LA Direct Payments funding.
- Whole-year cadence uses Bank transfer / Card / Apple Pay or Direct Payment (GoCardless) only.
- Paying Bank transfer / Card / Apple Pay on or before each due date has **no** £50 own-arrangement fee.

3.2 Schedules & typical timing

Exact due dates appear on your parent-portal invoices and in re-enrolment. For Academic Year 2026/27, typical examples include:

- First bank / Card payment for many term or year plans: by mid-August (e.g. 15 August 2026).
- Flexi / monthly bank plans often starting from 1 September.
- Direct Payment (GoCardless) Autumn first collection often around 15 August once the mandate is live.
- Later instalments follow your chosen plan (termly, flexi / half-term, or monthly).

Session counts used for programme totals exclude bank holidays where stated in the portal.

3.3 Booking Confirmation & Payment Timing

Bookings / re-enrolment places are not fully confirmed until, as applicable:

- a. Payment for the relevant period is received (in full or first instalment as required), OR
- b. A valid Direct Payment (GoCardless) mandate is set up as required, OR
- c. For LA / NHS funder-invoiced places, we have the funding arrangement we need on file.

3.4 If a Direct Payment fails

1. If a GoCardless collection fails (for example insufficient funds or a cancelled mandate), you must pay within **7 days** by bank transfer or Card / Apple Pay from the parent portal, including any GoCardless failure charge.
2. After **two failed attempts in the same term**, Direct Payment is withdrawn for the rest of the academic year. Remaining instalments must be paid by bank transfer or Card / Apple Pay.

3.5 Payment Confirmation & Agreement

- Payment / mandate confirmation will be reflected in the parent portal and/or by email.
- Completing a payment or mandate setup indicates that you have read and agreed to these Terms & Conditions.
- Refunds and credits are handled under Sections 4 and 5 (not "all fees non-refundable" without those exceptions).

3.6 Outstanding Payments & Service Access

- We reserve the right to deny access to our services if payment remains outstanding and the service user attempts to attend a session.

3.7 Payment System Updates

- We may update our payment systems from time to time. Clients will be notified of material changes.

4. CANCELLING A PLACE / PROGRAMME REFUNDS

Change vs Jun 2025: the older wording said fees were generally non-refundable except for the medical session rules. The parent portal / re-enrolment "Relevant info" now states the rule below for cancelling a booked place after payment has been collected. Confirm this is the operational policy before publishing.

These rules apply to both **whole year** and **term by term** enrolments.

1. If you cancel a booked place after we have already collected payment, we refund unused fees for sessions not yet delivered, minus an administration charge of **10% of the unused amount being refunded** (minimum **£25**, maximum **£100**).
2. Cancellations must be requested in writing to info@clubsensational.org (or via any cancellation process we publish in the parent portal).

3. Card processing fees already paid to Stripe, GoCardless failure charges, and how existing credits are treated will follow what is shown on your account when the refund is calculated.

5. ABSENCES, MISSED SESSIONS & MEDICAL CREDITS

5.1 Reporting absences

- Existing clients must report absences via the **parent portal** as early as possible (self-service — no need to phone admin for a routine absence).
- Reporting an absence is **not** the same as cancelling the ongoing place (see Section 4).

5.2 Non-medical / personal absences ("noted")

- Absences for holidays, parties, travel, birthdays, other commitments or similar are recorded for the team.
- These do **not** normally qualify for a refund, credit or make-up session (same principle as the June 2025 terms for non-medical absences).

5.3 Illness / unwell ("missed session")

Change vs Jun 2025: older terms capped medical refunds/credits at two sessions per term with a 15% admin charge on the term package and a voucher option. The portal now uses proof within 14 days and an office decision (credit / refund / make-up / none). Choose which rule set you want live before publishing — draft below follows the *portal*.

- For illness, notify us and follow the parent-portal absence flow.
- Where proof is requested, upload supporting documentation within **14 days** of the session date (for example medical note, prescription showing the participant's name, or school note).
- After review, the office decides the outcome: **credit, refund, make-up, or none**.
- Without valid documentation when required, we may be unable to issue a credit/refund and our standard cancellation / non-credit rules apply.

5.4 Extended medical absence

- If a longer medical break is needed, contact info@clubsensational.org. We will agree in writing whether remaining sessions are credited/refunded, paused, or the place released for the waiting list.

6. LESSON ARRANGEMENTS & CLUB CANCELLATIONS

6.1 Term Schedule & Calendar

- The official term schedule, including session dates and closures, is published in the parent portal and/or website and may also appear in booking / re-enrolment materials.

- Our term dates are set independently and may not always align with local school calendars. We cannot normally offer replacements or make-up sessions solely because of school calendar conflicts.

6.2 Session Modifications & Cancellations by clubSENsational

We strive to run all sessions as scheduled, but we reserve the right to adjust or cancel sessions if necessary, including due to:

- The assigned Specialist/Instructor being unavailable due to illness, emergencies, or unforeseen circumstances;
- A service user experiencing illness, injury, or a medical condition that could impact safe participation;
- Venue-related issues such as temporary closures, maintenance, or unsuitable conditions.

A. In the event of changes or cancellations, we will communicate with you as soon as possible and explain available options.

B. If an alternative session (date, time, or location) is not suitable, or if a session must be cancelled entirely, we will provide a session credit that can be applied to the current term or a following term's fees. If you do not re-enrol for the next term, you may request a refund equal to that session credit amount.

We may replace a specialist temporarily or permanently. A replaced specialist delivering the session counts as a delivered session; we do not normally offer an extra free make-up solely because the specialist changed.

7. CRASH COURSES & HOLIDAY INTENSIVES

1. Crash / intensive places are booked separately when offered in the parent portal.
2. Payment is normally required **in full** to confirm the place. Unpaid holds may be released after the hold window shown at booking (for Summer 2026 crash booking this was 2 hours).
3. You may pay by bank transfer (report paid, pending confirmation) or Card / Apple Pay.
4. Capacity, opening windows and any week-release rules are shown on the booking page at the time of booking.
5. Unless a specific refund policy is published on the crash booking page, paid crash places are non-refundable except where we cancel the course or where law requires otherwise.

8. DATA PROTECTION

At clubSENsational, we take the privacy and security of your personal information seriously. Any personal data collected about you or your child will be handled in accordance with our Privacy Policy, which can be found on our website under the "Privacy Policy" section.

We are committed to:

- Collecting only the information necessary to provide our services effectively;
- Storing your data securely and ensuring it is only accessible to authorised personnel;
- Using your data solely for booking, communication, safety and related service administration;
- Never sharing your details with third parties unless required by law or with your explicit consent.

By booking our services, you acknowledge and agree to our data protection practices as outlined in our Privacy Policy. Keep contact and medical details up to date via the parent portal or by emailing info@clubsensational.org.

9. AGREEMENT TERMINATION

clubSENSational reserves the right to terminate this agreement by providing written notice if any of the following occur:

- **Failure to provide accurate health information** — if you do not disclose important medical details about the service user that could affect participation or safety;
- **Non-payment of fees** — if payment is not made by the due date and no alternative arrangement has been agreed;
- **Violation of venue policies** — if you or the service user do not follow health and safety regulations or general rules of the premises;
- **Breach of terms & conditions** — any other violation that affects the operation of our services or the well-being of others.

Termination means the service user will no longer be permitted to attend sessions. Refunds for unused sessions follow Section 4 where applicable; otherwise unused fees are not refunded.

10. CHANGES TO TERMS & CONDITIONS

clubSENSational reserves the right to update or modify these Terms & Conditions when necessary. Any changes will be communicated through either:

- An updated version of the Terms & Conditions, OR
- A notification outlining amendments (email and/or parent portal notice).

By continuing to use our services after receiving notice of updates, you acknowledge and accept the revised terms. If you do not accept a material change, contact info@clubsensational.org within 14 days of notification.
